

## AIPS Publishing Platform Account Registration Steps

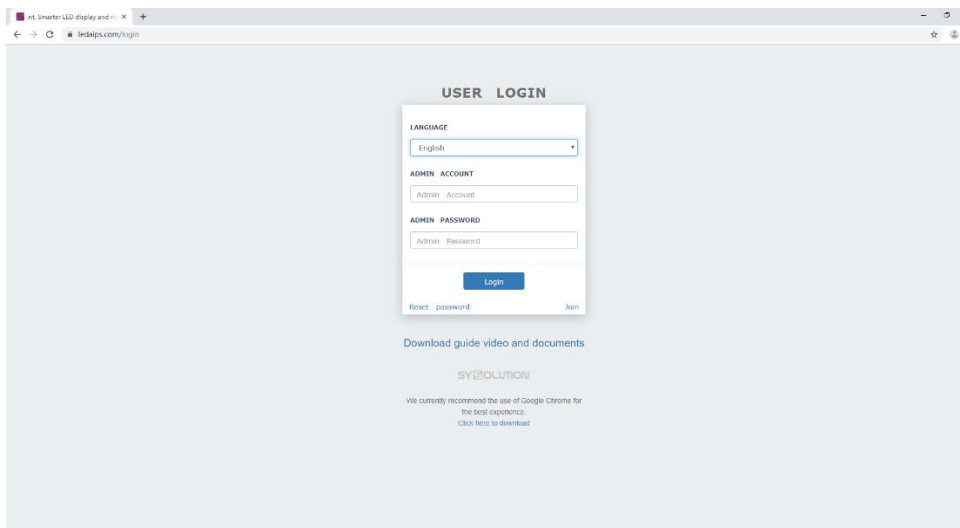

### AIPS Publishing Platform Account Registration

AIPS as a web-based program for convenient delivery of cloud platform, you can use any device browser (recommended Google chrome) to visit the following websites to remotely control your LED advertising device anytime and anywhere:

China server address: [www.m2mled.net](http://www.m2mled.net)

Foreign sever address: [www.ledaips.com](http://www.ledaips.com)

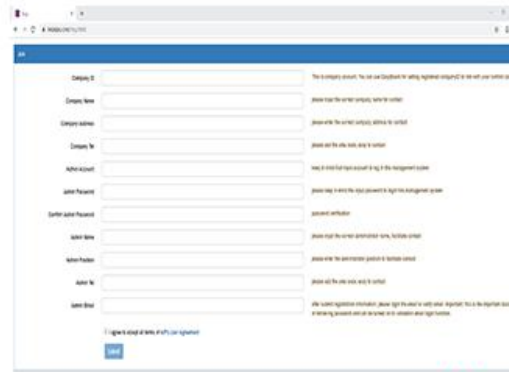

Note: The accounts registered on the Chinese and foreign servers are independent. For example, accounts registered on [www.m2mled.net](http://www.m2mled.net) can only be used on [www.m2mled.net](http://www.m2mled.net).

When you have not applied for the management account of the AIPS platform for the first time, please click the "Register" button, enter the relevant information, log in to the mailbox filled in during registration. After receiving the confirmation email, click the link in the email (or copy to your browser to open), and complete the registration.

1. Click the "Register" button

2. After entering the relevant information

3. Click the link to confirm after receiving the confirmation email

4. Complete the registration
